

Sister, Sweet Dear Sister

**Sister, sweet dear sister
How many ways do we have fun?**

**Sister, sweet dear sister
How many times have we lived and counted it as fun?**

**Sister, sweet dear sister
How many ways do you love me and I you?**

**Sister, sweet dear sister
The number can't be counted.**

**You are funny, sweet, silly, goofy, a confidant, a
friend, my partner in crime, and even when we fuss
and fight, we will go to bat for each other at the drop
of a dime.**

**You are my sister, so sweet and so dear
You are my sister, no matter how far or how near**

**I think of you always, I am glad that you are here
Whether that is in my heart, my thoughts, or sitting
near**

**Shall we forever love each other in a way that we
say... Sister, sweet dear sister, I LOVE YOU!**
